

Q & A lunch seminar with the guest professor Prof. Dr. Karin Allenspach

Meet our Verena-Meyer guest professor Karin Allenspach from the Internal Medicine and Translational Health Department, University of Georgia. Ask any question related to professional development, career track, family life and mobility – Karin will provide an insight into her career path and will share her personal experiences.

This lunch seminar is for med. vet. students, PhD students, PostDocs and assistants (Nachwuchsforschende).

Date: Tuesday, May 26, 2026, 12.00-13.00

Place: TFA 10.21/10.25, Vetsuisse Faculty University of Zurich,
Winterthurerstrasse 260, 8057 Zurich

Please join! No registration required.
Sandwich lunch and beverages will be provided.

Please send your questions until May 19 to: nicole.borel@uzh.ch
Prof. Nicole Borel, Vice Dean of Research and Academic Career
Development
